

MindManager®

MindManager or MindManager Enterprise: Which one is right for you?

Empower Teamwork and Ignite Innovation

MindManager Enterprise empowers teams of 5+ with all the benefits of the single-user MindManager software, plus a uniquely powerful set of tools specifically designed to foster alignment, increase productivity and drive projects forward. It also offers procurement and IT departments a streamlined, supported, cost-effective way to equip both MindManager users and the entire organization for efficiency and success.

Fair & Flexible Pricing

The MindManager Enterprise License Program includes mandatory MindManager Software Assurance and Support (MSA), ensuring you an experience that is customized to your current requirements and budget, and adaptable to your organization's changing needs.
